

FOTILE

Happiness Starts in Your Kitchen

Though no one can provide a single shared definition of happiness, most homes do share a similar "feeling of happiness" —there is warmth, familiar tastes and smells, companionship, sharing, the flow of emotions. The kitchen, most importantly, is the source of family happiness. For 23 years, FOTILE has put the "For the happiness of hundreds of millions of families" first and foremost in its efforts.

We strive to find a better solution to the problem of cooking grease and fumes, thus opening up the kitchen and letting it return from the farthest corner of the home to its rightful place at the center of the family. Time in the kitchen is no longer a lonely chore. It is now filled with the joy of seeing each other, working side-by-side and moments of togetherness. Our continuous improvements in technology and quality allow more people to experience the joy of cooking and savor life's real beauty. From nutrition to flavor, unfailingly provide the meticulous care your family deserves. Fill you children's memories of growing up with familiar flavors, the warmth of companionship and peace of mind. Make the kitchen cleaner, keep your family closer, and protect you and your family's health.

Enjoy your happy kitchen and leave the rest to us. From 1996 to 2019, from China to the world, in more than 30 countries and for more than 17 million families, FOTILE makes "happiness" its mission and is determined to create happiness starting in the kitchen for people all over the world.

For the clean that you can see
and the real clean that you can't

Greasy dirty dishes are the inevitable results of any good meal! Many dishwashing brushes and cloths are prone to harboring bacteria that often cause illnesses. In addition, chemical components leftover from the washing process may find their way into your body, causing untold metabolic and health issues.

So how can you achieve thorough healthy cleanliness with your dishwasher?
Introducing the FOTILE Sink Dishwasher SD2F-P1X.
It's a Breath of Fresh Engineering.

All-Clean Intelligent Cleaning System

360° cleaning with no blind spots

FOTILE's rotary sprays and all-angle water spray design lets the Sink Dishwasher accurately calculate the water jet's spray and rotation angles to create a strong waterfall-like blanket of water for total and thorough cleansing.

5-Step Intense Washing Process

60°C Rinsing > 45°C Rinsing > 45°C Washing x2 > 70°C Rinsing

Pasteurizing Drying Process

One-Step Total Bacterial Elimination

The FOTILE Sink Dishwasher boasts a saucer-shaped high-efficient heating plate with two functions. The first function is to rapidly heat up the water jets to efficiently remove animal fats and stubborn oils, while the second function is to rapidly generate high-temperature steam to remove Escherichia Coli, Staphylococcus Aureus, and other common bacteria to ensure total cleanliness of your kitchenware.

Sterilization Analysis Report

Test microbes	Test item	Unit	Limit value	Value
 (Escherichia coli) 8099	Sterilization rate	%	≥99.9	>99.99
 (Staphylococcus aureus) ATCC 6538	Sterilization rate	%	≥99.9	>99.99

*According to the testing data of the China Household Electrical Appliances Testing Institute

Heat Convection Drying

Avoids Secondary Pollution caused from Wiping

After each wash, the dishwasher utilizes residual heat from the high temperature rinsing process. The exhaust fan will turn on for 30 minutes to dry the dishes and the inner walls of the dishwasher. This saves you from wiping off excess water and possibly causing secondary pollution.

Saving both on time as well as energy consumption, the FOTILE Sink Dishwasher leads to overall satisfaction and happiness.

 Time-saving	 Energy-saving
90 min (other) VS 45 min (FOTILE)	1 kwh (other) VS 0.6 kwh (FOTILE)

Disclaimer:
The above comparisons are based on traditional dishwashers in the market.

Craving for
Fruits and Vegetables

Make sure you remove all the harmful pesticides

Residual pesticides in our fruits and vegetables can cause harm to children, pregnant women and the elderly. Tired of trying to hand wash your fruits and vegetables hoping to remove all the residual pesticides, let the FOTILE Sink Dishwasher clean your fruits and vegetables.

3X purification Eliminates over 90% of fruit and vegetable pesticide residues

FOTILE's patented high-frequency ultrasound & turbulence & spray 3X fruit and vegetable purification feature not only removes dirt from the fruit and vegetable surfaces, but also removes over 90% of pesticide residues. This technology even eliminates secondary pollution caused by the ozone, detergents and other chemical treatments.

Pesticide analysis report

Test subjects	Concentration of pesticides before test (mg/kg)	Concentration of pesticides after test(mg/kg)	Removal rate (%)
 Clenbuterol	1.99	0.018	99.1
 Phorate	2.02	0.05	97.5
 Acephate	1.98	0.06	97.0
 Omethoate	1.98	0.10	94.9
 Dimethoate	1.98	0.13	93.4

Effortlessly Cleans & Purifies

From fruits and vegetables to even seafood

Strawberry - Delicate wash

Apple - Intensive wash

Potatoes - Intensive wash

Seafood - Such as lobster Standard wash

Easy-to-Clean Extra-Large Sink Design

- The sink's dimensions are 500x385mm providing plenty of room for your large pots and pans.
- The sink is made from food grade 304 anti-rust stainless steel which is oil-proof and easy to clean.
- Made through jointless mold crafting, the Sink's smooth straight and seamless inner walls allow for effortless cleaning.

Perfect for families of 2-5

The Dishwasher's multifunctional racks allow for up to 20-24 tableware for every washing session.

Super slim design

Engineered for easy installation and maintenance

With a surface as thin as 1mm, the Dishwasher seamlessly blends into your kitchen countertop, a true eye pleasing addition to your kitchen.

Built with You in Mind

FOTILE strives to solve your home living concerns and elevate your living experience. The FOTILE Sink Dishwasher is designed with the ultimate objective of making your kitchen cleaning experience enjoyable, while bringing you clean healthy dishes for your family.

A 3-in-1 Appliance that saves kitchen space

By combining the dishwashing and the fruit and vegetable purification functions with the sink, the FOTILE Sink Dishwasher opens your kitchen to a wider breadth of space for additional enjoyment with family and friends.

Load your dishes without bending down

Ergonomically designed to remove the need for bending down, the Sink Dishwasher is perfect for pregnant women and the elderly.

A multifunctional space that boasts a large capacity in a small footprint

Engineered for total practicality, the Dishwasher's multifunctional dish racks effortlessly fulfill all your tableware cleaning needs.

All-new smart door is easy to use and operate

A gentle One-Touch button opens the door automatically, for ease of use. Simply close it manually to start operation of the Sink Dishwasher.

Intelligent security lock for peace of mind

The intelligent security lock prevents the Dishwasher's door from unintentionally opening during operation, keeping your dishwashing process safe and secure.

Stylishly designed, it's the kitchen's hidden masterpiece

Built with scratch-proof oxidizing materials for long-lasting durability, the sink's finish is a matte texture that makes it look beautiful at any angle.

Touch Sensitive Micro-pressure screen buttons work effortlessly even with wet fingers.

Guide mode for easy use
Just about anyone can use the FOTILE Sink Dishwasher with ease of use
