Kitchen experts, Fotile Malaysia, are celebrating their 10 year anniversary this year. Specialising in kitchen appliances that are environmentally friendly, Fotile is dedicated to provide clean and healthy surroundings in the home.

Fotile's impressive headquarters is located in Ningbo China. Established in year 1996, to date Fotile has become the No.1 high end kitchen appliances brand in China. Spreading their high quality products, Fotile has successfully entered into more than 40 countries around the world including Malaysia.

Fotile Style is officially launched in year 2012. It is a Grand Kitchen Pavilion of 3,000sqm located at Taojiang Road, Shanghai. Fotile Style commands a three-storey high concept; the first floor being products showcase, displaying Fotile's range of kitchenware product and culture; the second floor featuring the future kitchen in 2050, where you get to experience automatic cooking from preparation to completion at a press of a button; and the third floor is a place for pampering visitors with a salon and a VIP private club.

To date, Fotile has obtained more than 300 patents, proving their innovation and strong belief in the development of high technological appliances with a research and development policy of "unique, high end and leading". Fotile received accredited and international awards such as prestigious Red Dot Awards and iF Design Award, Germany. One of the latest and highly advanced appliances from Fotile is the new CHS9006W hood, which the main highlight is the 3D ionized Air Curtain technology. This elegant design hood suits your modern kitchen.

With appliances that are environmentally conscious, safe and convenient to use, it is no surprise that Fotile has enjoyed their extensive 10-year success in the kitchen appliance industry. Moving in leaps and bounds, we look forward to yet another flourishing 10 years to come. ❖
