FOTILE^W

A Wider Grease And Smoke Control Zone A Better Protection For Your Whole Family

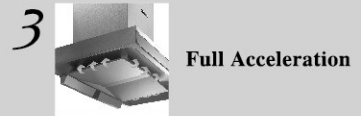

Wider Suction Coverage

The innovative **Surround Suction Technology** increases the smoke accumulation area of the FOTILE^W to 0.21m² to ensure that grease and smoke cannot escape from any of the 4 sides of the hood.

Wider Suction Area

The innovative **Wing-Like Surround Suction Plate** of the FOTILE^W increases the suction area by 2.34 times to effectively extract grease and smoke away quickly.
